Manufacturer	DIGITUS
Manufacturer item no.	DS-72211-4UK
EAN/UPC	4016032450108

Description

Due to its modular design, the DIGITUS 19" TFT console offers a multitude of individual configuration possibilities, so that it can be adjusted to the area in which the console is being used. As a result, the console is economical and can be upgraded and/or converted at any time with further modules. Due to the flexible configuration, a high level of future security of the console is thus guaranteed. The modular console consists of a 19" monitor, 8-port Cat.5 KVM switch, keyboard and the touchpad.
