| Group | Software Service & Support |
| Manufacturer | HPE |
| Manufacturer item no. | JY900AAE |
| EAN/UPC | 0190017130682 |

Description

Aruba Mobility Controllers offer centralized network engineering, IP services, security and policy controls, and app-aware platforms. In addition to network control, they can be deployed as branch gateways, VPN concentrators, WIPS/WIDS and spectrum monitors, and stateful network firewalls with integrated content filtering.
