

Sennheiser EPOS I SENNHEISER EDU 12 USB - Headset

wired - USB

Group	Audio Equipment
Manufacturer	Sennheiser
Manufacturer item no.	1001111
EAN/UPC	5714708009139

Description

The EDU 12 USB delivers control and focus in a double-sided headset. An in-line control lets students easily adjust volume and muting on-device, while a noise-canceling microphone cuts away background noise. The double-sided ear-piece design, meanwhile, limits distractions allowing students to focus. Sold in a package of 10 headsets.
