EAN/UPC	8717371447519

Description

The Neomounts Select NM-D775DX3WHITE is a tilt-, swivel and rotatable desk mount with crossbar and handle for 2 flat screens up to 24". This mount is a great choice for space saving placement on desks using a desk clamp or grommet mount. Neomounts Selects' unique tilt (20°), rotate (360°) and swivel (180°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the flat screen. The mount is easily individually height adjustable to 60 centimetres using a gas spring. Depth adjustable from 0 to 63 centimetres. A unique cable management conceals and routes cables from mount to flat screen. Hide your cables to keep the workplace nice and tidy. The mount is equipped with a 180° stop mechanism. Neomounts Select NM-D775DX3WHITE with handle has three pivot points and is suitable for most screens up to 24" (61 cm). The weight capacity of this product is 2 tot 18 kg (max. 6 kg each screen). The desk mount is suitable for screens that meet VESA hole pattern 75x75 or 100x100mm. Different hole patterns can be covered using Neomounts Select VESA adapter plates. By using an ergonomic mount neck- and back complaints can be avoided. Ideal for use in offices and on counters or in a reception area. All installation material is included with the product.
