

SonicWALL Secure Mobile Access Central Management Server

Perpetual licence - 20000 licenses - Win

Group	Network Service & Support
Manufacturer	SonicWALL
Manufacturer item no.	01-SSC-2062
EAN/UPC	0758479020622

Description

The Secure Mobile Access gateway enables administrators to easily provision secure mobile access and role-based privileges for managed and unmanaged devices. You can provide mobile workers with policy enforced per-app VPN access to the allowed enterprise data and resources that they require, while protecting the corporate network from mobile security threats. It provides secure end-to-end mobile management and security solution for bring-your-own, choose-your-own and managed devices.
